

Due to the prevalence of food allergies in our student population only packaged mini cupcakes labeled peanut free will be allowed for classroom celebrations and birthdays. All other cupcakes will not be served. Also, for liability reasons, all items must be store bought and pre-packaged. Based upon what we believe to be a reliable source on the Internet, following is a list of approved items that are peanut free and not processed in a plant with peanuts. We always encourage non-food alternatives such as: stickers, bubbles, pencils, pencil toppers, balls, bookmarks, etc. In order to prevent a "no food treat policy" here at Laraway please follow these guidelines.
