Call your Grandma, Grandpa or someone you don't live with and tell them how much you love them!	Use boxes, blankets, and furniture to build a fort. Create some wonderful pretending with your toys. Send me a picture!	Make cards for people that you care about. Mail, deliver them or save them for later.	Listen to online stories at: www.storynory.com www.boksreadbyed.com www.mrsp.com	Count how many times you can jump or spin. Now let someone else take a turn. Write the numbers. Who has more? Less?
Download the free Kidoko My Emotion app and explore the different activities.	Search for Learn to Count With 100 with Spiderman on the internet.	Find something that has letters on it and copy the letters and words that you see.	Count and clap the syllables in the names of your family members.	Count your families fingers and toes. How about on your dog and cat?
Play a game of Guess What I Am Feeling? by making faces. Discuss and switch turns.	Create an obstacle course in your home or yard. Focus on things that you can go around, over, under and through.	Download a writing app and practice. Try: Handwriting Wizard Learn to Write or www.robowhale.com	Log in for a free 30 day trial of ABCmouse app and complete activities of your choice.	Use a Stopwatch app on a device to time how long it takes you to do an activity?
Pour into water cups. Add food color or Kool-Aid packets and paint with your fingers or Q-tips.	Get some blankets and roll your family members up like burritos. Switch and take turns.	Practice writing your last name. Ask your grown up if you have a middle name and write that!	Have a family member read you a story 2 times, then re-tell the story in your own words. Add your own illustrations.	How many people will eat dinner tonight? Help set the table. Count out plates, cups, napkins and utensils.
Make a weather chart for the days that we are off of school. Think: Sunny Cloudy Rainy Snowy Windy Foggy	Fill a bowl with water. Sprinkle pepper into it. Stick one finger in. These are like germs. Stick a different finger in liquid soap. Put that finger in the water and watch them scatter. Practice washing their hands.	Fill a baggie with shampoo, shaving cream or conditioner. Seal it well. Double bag it if you need to. Practice writing letters, numbers and shapes with your finger on this squish bag.	Search for Jack Hartmann's "Make A Rhyme, Make A Move" On the internet or as an app. Sing the song and do thumbs up or down for the lyrics.	Draw and color the following shapes: circle, square, rectangle, triangle, oval, diamond, octagon, star & heart.
