Parents/Guardians: Please have your child complete at least 1 item in each learning area and circle it. This paper must be returned to have your child receive school day attendance credit on non attendance days.

Social- Emotional/ Science	Physical	Writing	Reading	Math
Send a selfie or voicemail of yourself to your teacher and tell them how you are feeling today.	Thread items on pieces of string, dental floss or a straws. Try: hair beads, cereal, pasta, paperclips.	Draw your family and label all of your people and pets.	Use play-dough to make letters.	Count how many doors and/or windows are in your home.
Download the free <u>Grr-ific Feelings</u> app and explore the different activities.	Draw a picture and color it. Have your grown-up cut it in different shapes. Put your picture puzzle back together again.	Download the free <u>Trace Letters & Sight Words</u> app and practice writing the alphabet letters.	Play I spy for items in your house that start with the letters and sounds in your first name.	Practice touch counting something in your home, such as toys, food containers, crayons, etc.
Play a game with someone you are home with. Take turns and share materials.	Ask your grown-ups to teach you how to match socks, fold laundry, and put away your clothes.	Write your first name using rainbow writing (different colors for each letter). Do this 3-5 times.	Download the free <u>Starfall ABCs</u> app and complete activities of your choice.	Create patterns using small foods, erasers, blocks, etc. You can try: ABAB (fork, spoon, fork, spoon) or AABB, ABC
Pour water in a bowl and test 5-10 things to see if they sink or float. Write down your observations with a grown-up.	Sign-up for a free <u>Go Noodle</u> account. Select movement activities for Pre-K/K.	Write and draw in something silly, such as pudding, salt, flour, on the carpet, in the bathtub with bubbles, etc.	Have a family member read you a story 2 times, then re-tell the story in your own words using pictures as clues.	Choose a recipe card, or write your own. Follow the directions for measuring and sequencing. Fill out the review form.
Put water in a cup and set it outside to see how long it takes to freeze it. OR Place a cup of snow in your home and see how long it takes to melt. Write the times down.	Go outside and play! Send your teacher a picture of your work from outside, such as building a snow fort, shoveling snow, making snow angels, snow people, etc.	Draw or paint to different genres of music, such as hip-hop, rock, country, classical, kid's music, gospel, etc.	Build a cozy reading spot in your home. Add pillows, sheets, blankets, etc. and enjoy a good book by yourself or with your family!	Go on a Shape Search! Look for the following: 2D: circle, square, rectangle, triangle, oval, diamond, octagon, star & heart. 3D: sphere, cylinder, cube, cone & pyramid.
