

2025 Junior High E-Learning Choice Board #2
Complete one option for each of your teachers for each day of e-learning.

Math Bodach	Math Wills	Language Arts Priovolos	Language Arts Polensky/Hassell	Science Taylor	Social Studies Wood
1) Work on iReady math lessons for 35 minutes.	1) Work on iReady math lessons for 35 minutes.	Follow all directions on google classroom.	Follow all directions on Google classroom.	All Grades: All Assignments are Posted google classroom, under the category: "E Learning 2025"	Google Classroom instructions if possible.
2) Calculate the volume and surface area of a cardboard box and a canned good. Rectangular Prism: Volume = Length x Width x Height Surface area = (2 x Width x Length) + (2 x Width x Height) + (2 x Length x Height) Cylinder: Volume = $\pi r^2 h$ ($\pi = 3.14$ r = radius h = height) Surface area =	2) Calculate the rate of snowfall and express it as a unit rate in inches per hour. Measure the depth of snow in the morning and again in the evening. Find the difference and divide it by the time in hours.	Write an essay explaining which is better: e-learning day or a traditional snow day where school is made up at the end of the year. 6-10 sentences. <input type="checkbox"/> State your claim <input type="checkbox"/> Give 3 reasons why <input type="checkbox"/> Explain each reason <input type="checkbox"/> Concluding sentence <input type="checkbox"/> Check grammar and spelling	Write or type an essay explaining which is better: e-learning day or a traditional snow day where school is made up at the end of the year. 6-10 sentences. <input type="checkbox"/> State your claim <input type="checkbox"/> Give 3 reasons why <input type="checkbox"/> Explain each reason <input type="checkbox"/> Concluding sentence <input type="checkbox"/> Check grammar and spelling <input type="checkbox"/> Neat	<u>8th Grade:</u> Work is posted on Google Classroom: <ul style="list-style-type: none"> - Root word assignment - CER escape room - Scientific Method Escape Room <u>7th Grade:</u> Work is posted on Google Classroom: <ul style="list-style-type: none"> - 3 edpuzzle videos on Meiosis 	Create a timeline: Ancient Egypt, Roman Empire
